Decree for Bet Ezra'El for Repentance

To: Bet Ezra'El Diaspora  
From: The Herzega YAW'WAH  
Date: 12.03.2024  
Re: Repentance for Assimilation

This Decree is spoken by the Herzega YAW'WAH and released by the EDA, written by the Nabay (Prophet) Menelik IV, who is his the Contemporary Intermediator (Nabay) for YAW'WAH to speak directly to Bet Ezra'El for instructions and directions. The message of the Great Herzega YAW'WAH reads as such:

**የወወህ:** "I have decreed Sobrahnah Menelik IV as King of Bet Ezra'El to warn my people to repent and renounce Islam, Judaism and Christianity. You will continue to operate in scarcity, the sword and plagues until you repent.

You are a nation of people and a Kingdom who I have reduced to being tribes through your slave oppressors. Renounce the tribal names and customs placed upon you. I, የወወህ Your Herzega, am releasing you. Renounce being Tigre, Tigray, Iyob, Gurage, Muhamasheen, Lemba, Dravidian, Tegararu, Amhara, Agau, Qemant. This is not who you are. You are Chashah Bet Ezra'el. This is not assimilation, this is returning to your true cultural and Ethereal heritage that was stripped away due to rejecting me and my Te'ezaza commandments.

I am decreeing a three day cleansing fast for those who have ears to hear, and receive my Oracle, Menelik IV. Purify yourselves before me so that you do not perish, and learn of my ways by observing my SANBAT. Build my Kingdom so that you will find salam and refuge. Hear the voice of my Nabay and heed the warnings I have decreed through him. Remove the reproach and suffering from your lives.

To the Hoshana Priests guarding my relics, send messengers to the caves that my Priests must fast and pray to learn my ways so that they may live long days.

To the Kahan and Kahanot (Kes), renounce Zionism TODAY! Repent and return to my Haymanot ways. Purify yourselves, for you are defiled, and serve my appointed Sobrahnah Menelik IV. Restore my sacred ways and teach my people the Te'ezaza laws.

Build my Kingdom in New Mexico that the laws shall be restored. Build my schools, train my Kahan, be set apart unto me away from the wickedness of the world. Worship me on SANBAT all the days of your life."

The Great Herzega **የወወህ** has spoken to his people.
