Decree - Public Record: Data Archive #982

From: UPKY, Chashah Kingdom
To: King Binyam Selamun
Date: 10.28.2024
Re: Selamun's Transgressions Against UPKY

This decree is being issued to King Binyam Selamun of the BaSena Kingdom.

It has been decreed by **የወወህ** that King Binyam Selamun has acted against his brethren, kinsmen and Chashah Kingdom in an unrighteousness manner with an unrepentant heart, and has falsely accused Sobrahnah Menelik IV, and presented false witness against him to the BaSena Royal Courts.

Let it be decreed, today, that Sobrahnah Menelik IV acted in good faith, with King Binyam Selamun and the BaSena Kingdom, by supporting plans to gather the Bet Ezra'EL people. Sobrahnah Menelik IV acted in goodwill towards King Selamun through creating content, prayers, fasting, and issuing Ethereal messages of **የወወህ** to uplift, protect and support the BaSena Kingdom, and yet despite efforts of the Chashah Sobrahnah, he has been treated with disrespect and disdain by his kinsmen, King Binyam Selamun.

"The Treason against the Chashah Sobrahnah has been recognized in my Ethereal Courts." says, the Herzega **የወወህ**.

የወወህ speaks: King Binyam Selamun, you are accountable to me, Herzega **የወወህ**/ El Amalaki, of all spirit and all flesh. You have defied my instructions and the help that I sent you through my Sobrahnah Menelik IV. I, **የወወህ**, now decree that **until you repent** for the following transgressions, that your plans shall not succeed and you shall encounter death and destruction in all your plans.

For transgressions of King Binyam Selamun against የወወህ, repent this day for **not returning to take your throne for seventeen years, for causing my people to suffer, for causing them to fall away from me** because of **your defiance**, and not following my Ethereal Protocol.

Repent this day, for deceiving your kinsmen after he was obedient in delivering my messages and admonishing your request to fast and petition my throne for when your return time should be to South Africa.

Supreme Judiciary Council of the Chashah Parliament

I, Herzega **የወወህ**, deemed this time to be **October 2024**, which you defiantly rejected out of fear, disobedience and doubt.

For this treason and transgression against me, I Herzega **የወወህ** decree that your Kingdom ***shall not be established with my full authority*** unless you officially acknowledge, by royal order, your iniquity against me, and your trespasses against your kinsmen Sobrahnah Menelik IV.

Sacrifice Instructions

I, Herzega **የወወህ**, mandate that you **MUST make a slaughter sacrifice of atonement for all of your offenses.**

The Chashah Kingdom and it's Sobrahnah acted in good faith, kindness and compassion in all manner of respect with the BaSena Kingdom and His Majesty, King Binyam Selamun, but the Chashah Kingdom Royals were treated as personal servants by King Binyam Selamun on several occasions without regard of mutual Kingdom alliance, respect or appreciation, as King Binyam Selamun desired the Chashah Kingdom to perform all work related activities on social media accounts, articles, news and EDA activities, without the insertion of King Selamun's participation.
