

Chashah Monastery Parliament is fundamentally an Ethereal institution. All Bet Ezra'El must apply all laws, statutes, judgements and commands of the Orit to its fullest extent, which is loyalty, devotion and servitude to $\varphi\omega\omega\psi$. $\varphi\omega\omega\psi$ is the Great Herzega of the UPKY and his subordinates are the Sobrahnah/ Nabay, Sobrahnahga, Seigneur Kahan, and Kahanot.
