A call to Bet Ezra'El.

This is a summons to Ethiopian ethnicity identifying as tribal names of Bilen & Saho from Eritrea, the Irob/ Gurage/ Tegararu from Tigray, the Qemant & Agau from Gondar, and the Muhamasheen from Yemen to relearn authentic worship customs of our heritage and to assist in building a city of refuge for YAW'WAH in New Mexico.

We are welcoming you to apply for the naturalization process of serving YAW'WAH where development of job infrastructure is being built, along with housing and schools. Let's purge ourselves from tribal labels imposed upon us during the mass destruction of the Axum Empire, which has caused us to surrender being the powerful people we're supposed to be today.

You are Chashah Bet Ezra'El of Ethiopia... claim your heritage today!
